### **Lesson 11**

#### **FORGIVE AND BE FORGIVEN**

##### **1. Make the decision.**

- You have come to the point where you have to decide whether you are going to follow the Lord Jesus Christ with all that you are and have.
- If you do, you have to forgive everybody that sinned against you - forgive completely without any excuses.
- Then you have to confess your sins and ask God for forgiveness.

##### **2. Forgive.**

- Make a list of names of people who have offended you or treated you wrongly.
- Write next to each name what the offence was.
- Bring each of these cases to the Lord. Mention the name of the person and how he / she offended you and tell Him that you forgive them.
- If possible phone, tell or write to this person that you have forgiven him/her for what he/she has done to you.

##### **3. Cleansing process.**

- Make a list of all your sins, things you can remember like murder, drunkenness, divorce, idolatry, adultery, stealing, false witnessing, pride, hatred, cursing, etc.
- Write down names of people whom you could have offended in any of the above sins.

##### **4. Confess and give back that which was stolen.**

- If you are still in possession of stolen goods, return it to the rightful owner and apologise to whom you have offended.
- Tick off the names on the list those you have apologised to.

##### **5. Confess your sins before God.**

- Confess your sins now one by one before the Lord and ask for His forgiveness.
- Scratch out all the sins that you have confessed, because God has forgiven you and He will not remember any of these sins again.

##### **6. Begin a fresh start.**

- Don't repeat the same mistakes.
- Be faithful in your quiet time with the Lord. Once you realise that He loves you, you'll want to please Him by not sinning any more.
- Join a Bible study group, prayer group, cell group and go to church. These will help you to grow spiritually.
- Serve the Lord with all your heart.

**MAY GOD THE FATHER AND THE LORD JESUS CHRIST BLESS YOU RICHLY!!**
